WORK EXPERIENCE

Fortitude Re Brentwood, Tennessee
Sourcing and Procurement Intern June 2025 – August 2025

- Extracted and standardized critical data points from over 400 complex vendor contracts to improve visibility, support compliance tracking, and streamline renewal management.
- Partnered with internal stakeholders to align contract lifecycle management processes with procurement objectives, resulting in increased operational efficiency.
- Collaborated cross-functionally with the Third-Party Risk Management team to vet vendors, mitigate risk exposure, and ensure adherence to internal policies and external regulatory requirements.
- Audited and maintained records for 1,000+ vendors in the risk management system, identifying gaps and redundancies to improve system efficiency and reduce administrative overhead.

Consolidated Electrical Distributors Knoxville, Tennessee
Rotational Summer Intern May 2024 – August 2024

- Learned basic functionalities of Storage Solutions operations, including reporting, staging, and logistics.
- Acquired hands-on experience in general warehouse operations, managing stock deliveries, receiving, and order processing, filling, and shipping.
- Gained comprehensive knowledge of electrical materials to better assist customers.
- Professionally managed sales calls, providing product information and support to customers.

Acushnet Company Nashville, Tennessee
Titleist Golf Ball Specialist Intern May 2023 – August 2023

- Connected with golfers and providing accounts with an enhanced Titleist brand and golf ball experience in key markets across Tennessee through golf ball education, fitting, and merchandising.
- Managed scheduling, setting up and tearing down event set-ups daily.
- Completed over 2000 individual ball fittings.
- Created a report to be submitted to supervisor on a weekly basis.

LEADERSHIP

Honors Business Council Knoxville, Tennessee
President May 2025 – Present

- Led a council consisting of 20+ members in organizing events to supplement curriculum for up to 350+ honors business students
- Worked with faculty, students, and companies to attend and facilitate events for the honors business student community.

The University of Tennessee, Knoxville Knoxville, Tennessee
Teaching Assistant August 2023 – December 2023

- Established long-term relationships with underclassmen by actively supporting students with academic and behavioral aid in the ELPS 207 course.
- Oversaw classroom activities and provided support alongside primary teacher to help ensure a smooth transition into the Honors Leadership Program.
- Communicated frequent feedback to students, fostering an environment of open communication and interest in lifelong learning.
- Promoted student involvement in academics, involvement, communication, and setting goals.
